**NCYC:** Hotel and Buss reservations are in the works. 150 have signed up from our Dioc so far. It was expressed that many are frustrated by lack of leadership from the Dioc with regard to this. It was also noted that we will need ONE person in charge to run point during the week. This is a big undertaking and the Dioc should provide this person, many feel.

**Respect Life Week:** A bus will be going Jan 20<sup>th</sup> to the National Rally, call Elisa for more info. About 20 spots remain.

**New Secretary:** Rebecca will be unable to attend meetings regularly and therefore is resigning from the position of Secretary. Carolyn nominated Elisa Tremblay, Elisa accepted the nomination. All paid members present voted unanimously to elect Elisa to Secretary. She will serve out the remainder of Rebecca's term.

Check "Outside Da Box" for an award winning video made by the youth in Sarah's Youth Group!
