DCYC Recap

Pat Coonen and Celia's kids went and they enjoyed it.

Poor weekend for many

Sunday would work better for most

Concern regarding the date being set for Saturday next year, many think it should go back to Sunday to allow more youth to attend.

Suggestions should be passed on to Rosie.

A **GREAT** job by St Pius for all the work that went into this event.

Numbers were low. About 60 from St. Pius and 20 from other parishes. Attendance was only at 80 kids and adults.

More Green Bay Parishes to attend would be nice.

We may want to consider trying to find donations of things that say WISCONSIN for the youth that are attending to exchange with others while there.
